

It would be detrimental to remove K-LOVE off of the FM airways! This is a vital ministry to our community! In a world of negativity, stress, and hostility, this station provides a source of calm and peace to every individual--especially those commuting! It would not be in the best interest of the FCC to remove KLOVE from the FM translator and removing them from the airways of Phoenix! Hundreds of thousands of people are reached each day through this ministry! Why would anyone want to remove a positive impact from society and replace it with garbage? It would not make any sense! I respectfully request that you not allow the LPFM stations to have priority over KLOVE's FM stations 105.5, 89.1 & 100.9.
